

OmniPL® Retrofit Kit

Smart Pool & Spa Control

THE FASTEST WAY TO UPGRADE
EXISTING HAYWARD AUTOMATION

COMPLETE OMNI® CONTROL, WITHOUT A COMPLETELY NEW SYSTEM.

The OmniPL Retrofit Kit is the best way to give new life to an existing automation system, bringing full-featured Omni functionality to a wide array of ProLogic® equipment—with installation in an hour or less.

OmniDirect Mode™ supports

ColorLogic® LED lighting with exclusive color options, dimming control and more

External touchscreen display offers

wireless capability and flexible installation options with 15-ft cord

Remote compatible* with all OmniLogic®

remotes for maximum control flexibility

Replacement PCB board

unlocks full Omni capability for existing AquaPlus, AquaLogic and ProLogic (P4, PS4, PS8) systems

Expandable relay system

allows users to increase count from 4 relays to 6 or 8

Salt-ready design

works with existing Hayward salt cell or additional cell

Replacement front plate

covers internal components with updated OmniPL design

UNBEATABLE VALUE

Choosing a retrofit kit unlocks Omni's full capabilities with a modular, scalable automation design—all without the cost of a full system replacement.

VERSATILE AUTOMATION

Designed to control a salt system, lighting, up to 8 variable-speed pumps and more, OmniPL is the perfect system for full-featured modern pools.

EFFORTLESS CONTROL

Pool owners can control their backyard from anywhere via the built-in display, top-rated mobile app and popular voice-enabled home automation systems* (Amazon® Alexa®/Google Home®).

OMNIPL RETROFIT SYSTEMS AND PARTS

PART NUMBER	DESCRIPTION
HLPROUPG	ProLogic to OmniPL Upgrade Kit

*The retrofit kit is not compatible with any ProLogic or AquaLogic legacy wireless, wallmount, desktop, or spaside remote controls.
